Dear Parents and Carers

### Bug Club Login

We are excited to tell you that we have subscribed to bug club to support parents with reading at home. For those of you who haven't used this before it is an online system where children can read banded books. This will mean that while we can't send reading books home we can still ensure that all children are reading regularly. Your child's class teacher has set the book band for your child that they are currently reading.
